Mr. Walker

Thank you for your interest in this meeting and I appreciate your desire to attend. Regrettably, we have the approved list already in place, and are not inclined to expand it, however we have ensured that Brunswick County is represented via attendance at the meeting by Chairman of your Board of Commissioners, Frank Williams. I have been in close contact with him and ask that you communicate with him directly as to what we learn Thursday.

Subject: Meeting with Chemours re GenX

Mr. White,

Greetings. I understand you are working to schedule a meeting with Chemours and NCDEQ to learn more about the chemical GenX present in the Cape Fear River water supplies. As a stakeholder in the finished water supplies provided to H2GO by Brunswick County Public Utilities, I would appreciate an invitation to the meeting as a representative of the 10,000+ customers (23,000+ population) that H2GO serves in the northeast Brunswick County service area. I believe it essential that a direct understanding of the current situation be relayed to our customer base, and as such would like to attend with the other water providers slated for the meeting.

Thank you for your consideration. I look forward to hearing from you.

Regards,

Bob Walker
