### CHARGES WILL BE AS FOLLOWS:

<u>METER SIZE</u>	<u>SECURITY DEPOSIT</u>	<u>HOOK-UP FEE*</u>	<u>ADMIN FEE*</u>	<u>AVAILABILITY FEE PER DAY.</u>	<u>WATER RATE PER 1,000 gals.</u>
3/4"	\$200	\$50	\$25	\$5	\$4.00
3"	\$1,000	\$50	\$25	\$15	\$4.00

*\*NON REFUNDABLE FEE*

*\*\*Security deposits are refundable minus usage and rental fees if there are no damages to the hydrant meter or damages to the hydrant. Damages will be assessed according to severity. Customer is responsible should the hydrant meter be stolen. Customer is responsible for all charges not covered by security deposits.*

*If rental is longer than one month, the meter may be read and charged billed monthly for the rental and amount of usage.*

*The hydrant meter will be installed and disconnected by H2GO personnel only. Customer may not remove hydrant meter from the above location and connect at another location. Customer will give 48 hours (2 working days) notice of disconnection.*

*H2GO Hydrants have a standard 3" thread (hose nozzle). Applicants will have to supply own fire hose.*

*Use only a certified hydrant wrench when opening the hydrant.*
